

## Traveling to IMD

For visitors from outside Switzerland we recommend to fly either to Zurich Airport (ZRH) or to Geneva Airport (GVA). Both Airports are approximately within the same distance from our location.

From either of the Airports we recommend to take the train to Biel/Bienne main station. About 1 ½ hours ride. After Arriving by train at Biel/Bienne main station, we recommend to hire a taxi to our location or call us for pickup service.
